

THE MILLERS

in the

AMAZON

April 3, 2004

Dear Fellow Warriors of the Cross,

I guess where you are, spring is springing! I really miss that time of year. Here, we are still in the midst of rainy season, the rivers are rising, the mosquitos are plentiful, and the heat is still here! Such is life here in the Amazon.

This month has been a very busy and exciting time. We have seen a total of 8 people accept Christ as their Savior! We are excited about what God is doing down river in Urucará at the Igreja Batista Âncora (Anchor Baptist Church). We had our first service at our property, under the tarp, on March 21, 2004. It was really great! That Sunday night we had 2 children to accept Christ!

We have talked to the lady who owns the lot next to the church and she has agreed to sell it to us. That is really great because as you can see from this picture, her house is really close to our "line"! We have negotiated a deal with her to buy the lot for \$2,000.00, which is a really good price. The great news is that one of our supporting churches has met this need! So, we are buying her lot.

If you will remember from our last prayer letter, we listed several needs. This church property was one of them. It is so exciting to see God supply needs and to be able to "mark them off" when He does.

We are still waiting for the other needs to be met:

1) We need \$12,000.00 to finish the boat. All of the "construction" (welding etc.) will be finished by the end of April. We need the \$12,000.00 to finish the boat, (plumbing, electrical, generator, lighting, etc...)! The river is rising and by the end of the month, we need to have most of the plumbing done, because the river will be lifting the boat. The plumbing needs to be done because this requires making holes in the hull for various plumbing reasons☺! So, it needs to be done before the river gets to it! Please make this a matter of prayer.

2) Also, we are still looking for land in Urucará on which to build a house. This will require yet more

money! But first, we need to get the boat finished, as well as get it registered.

Thank you so much for your continued support, both prayerfully and financially. Missions is team work. What an honor to be a part of your team!

Serving Him Together,

Dan and Kathy
