

THE MILLERS

in the
AMAZON

November 14, 2004

Dear Fellow Warriors of the Cross,

Hello from the Amazon! Since our last prayer letter, our family has had a new addition. Our daughter, Ashley, and her husband, Aaron, are proud parents of their second child, Kyle Aaron, born September 30th, weighing 8lbs. and 3oz. and 20 inches in length. This makes our 4th grandchild, and no, we're not getting older....☺

If you remember from our last letter, we were about to have our first baptismal service and we were supposed to baptize 12. Well, on August 20, we baptized 2, a man and his wife. We were a little disappointed, but I believe that it is important that the new believers know and understand fully about baptism. Once the others complete the Bible study on baptism and fully understand its purpose, they, too, will be baptized.

The church in Urucará is moving along great. We are making plans to start building soon, since rainy season is just around the corner and we need a permanent building. Please pray with us as we make plans and strive to come up with \$7,000.00 to put up a building.

In the next week or so, we will be closing on the property in Urucará, where we will build our house. The mission office has approved a loan for the purchase of the property and the construction of a house. As many of you will remember, our initial plan was to live on the boat. However, several things have changed: *the laws have changed*. A boat large enough for us to live on, full-time, would have to have a full-time, hired crew. We can not, nor do we want, a fulltime, hired crew, so we had to reduce the size of the boat. *In the registration process, I had to produce a "proof of residence."* This was necessary in order to register the boat in the proper category, according to Brazilian law. (It is amazing how complicated things are here, as compared to the United States!) So, please pray with us as we finalize the land purchase and begin construction of our house. We need to get moved to Urucará as soon as possible.

God has blessed us beyond our wildest dreams. Thank you for your continued support both prayerfully and financially. Thank you for allowing us to be a part of your team reaching the people of the Amazon Region of Brasil!

Serving Him Together,

Dan and Kathy
